With humble beginnings of a rose garden in 1999, Balaji Blossoms has charted a trailblazer success story in two decades. As of 2022, it now sports over 250 varieties of indoor and outdoor ornamental plants and a staff of 200 relentlessly working towards quality yields. Spread over 50 hectares of fertile land, Balaji Blossoms is a front-runner nursery located just 25 kilometers from Pune City in Uruli Kanchan, the ornamental plants capital of India. Balaji blossoms have a roster of high-quality plants such as poinsettia, kalanchoe, chrysanthemum, hibiscus, aglaonema, ixora, Succulents, and Bonsai plants. Besides these, and in response to customer demand, Balaji Blossoms also provides seedlings for ornamental plants and vegetables.
